James Watts

Executive Director
Mississippi State Equine Association
P.O. Box 5888
Brandon, MS 39047

Dear James Watts,

I would like to take the time to thank you for your funding of the Mississippi State Equine Association Endowed Scholarship. I would also like to extend my appreciation of being awarded as a recipient.

My name is Haley Ferrell, I am a sophomore here at Mississippi State University. I dedicate a lot of time and effort into my education here studying Animal and Dairy Science with a pre-veterinary concentration. I have maintained a 4.0 GPA and I have a junior academic standing. It is my goal to complete my undergraduate education here at Mississippi State University and then go on to studying Veterinary Medicine here as well.

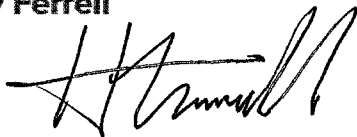

While academics are everything to me, I have also made an effort to get involved on campus. I am an active member in Pre-Vet Club as well as Animals in Focus Club. Both of these organizations have been amazing opportunities to meet like-minded peers and give back to our community through service and donations. I also have a strong faith, I am a member of multiple college ministries here including Campus Outreach, PineLake College, and Bridgeway College.

While receiving this scholarship is a great honor, it is also very helpful. Attending a university is very expensive and the financial responsibilities can become a great weight. By receiving this scholarship, I will be able to focus more of my time into maintaining my grades and applying all my effort into completing my courses. Receiving financial help through this scholarship also allows me to have more time to get involved on campus, be in leadership positions, and give back to others through my time. Having the goal to go to veterinary medicine school requires me to get a lot of experience hours while completing my undergraduate and this scholarship will help make that more possible.

I thank you for the confidence in giving me this scholarship and I vow to use it for its highest potential.

Sincerely,

Haley Ferrell
