

SADDLE UP

Saddle Up equestrian champs... "We are proud for you, and we want you to wear your new 'high point recognition' belt buckle with pride," says James Rasberry, president of the sponsoring Mississippi State Equine Association.

This past year MSEA has sponsored and sent significant contributions to the State of Mississippi Horse Show Association, Mississippi 4-H Therapeutic Riding Center, Twelve Oaks Farms, Special Olympics of Mississippi, Make-A-Wish Foundation, Wounded Warrior Project of America, the Mississippi Burn Center and eleven prominent horse and riding clubs from Gulfport to Tupelo.

We're proud of our accomplishments, and we want to continue promoting this event as well as MSEA's scholarship endowment program at Mississippi State University. What we need from you is your assistance. We want you to think "membership" when you consider **Saddle Up**.

Thank you for helping us achieve our goals.
