Dear James:

Thank you for fulfilling your generous pledge to the MSU-ES Therapeutic Riding, and for being a loyal friend to Mississippi State University. Your gift makes a tremendous difference for our people and our future.

You have helped make our university's achievements possible. Your gift is what helps us lead, and what drives us to succeed. Challenge and opportunity are two sides of the same coin. The prestige that excellence creates elevates our university and draws further support from our alumni and friends. Because of that, your gift has a strong multiplicative effect for the good of our university and the world.

Our community thrives when its most valuable members are free to explore, discover and excel. Your gift is helping make that possible.

Thank you for your generosity and your leadership, and for helping us move forward together. What you have done matters. It continues to improve lives, and those lives will go on to do the same.

Sincerely,

John P. Rush
President and CEO, MSU Foundation
