Dear Mr. James Watts

I am writing this letter to thank you for granting me the Mississippi State Equine Association Endowed Scholarship.

As an incoming senior majoring in Animal and Dairy Science with a Pre-vet concentration, your generous financial support towards my education places me one step closer to reaching my life goal of becoming a large animal veterinarian. I am currently working at an emergency clinic in Tupelo, Mississippi, and have been part of the nonprofit organization Friends of Moose for two consecutive years, providing free veterinary services to rural villages in Honduras.

This upcoming fall semester, I will continue building my research experience under Dr. Feixin Fan, focusing on antimicrobial resistance in dairy calves and post-regrouping behavioral differences in Jersey and Holstein cattle. I will also be applying to veterinary school in september.

Receiving this scholarship is another source of motivation for me to keep pursuing my goals, and I am extremely thankful for the blessing of being a recipient. Thankyou again— without this award, I would not be able to fully focus on my education.

Sincerely,
Michelle Martinez
