

James Watts, Executive Director MSEA
PO Box 5888
Brandon, MS 39047

Dear Mr. Watts,

I am sincerely so grateful to you and the Mississippi State Equine Association for honoring me with the opportunity to receive your 2018-2019 scholarship for this upcoming school year. Being an Animal and Dairy Sciences major at Mississippi State has been an experience I wouldn't trade for the world, but due to coming from a low-income family, it would be very difficult to continue pursuing my education without the aid of donors like yourself! As a member of the MSU Horse Judging Team, I have a firsthand understanding of the importance of the equine industry and the values it instills in young and old alike. Through my time at MSU representing across the country at major showcases such as the AQHA Congress and World Show, I have had the opportunity to judge and evaluate some of America's most prestigious equine and learn about the industry portion and how we might improve our horse's physical attributes and performance as a whole. Thanks to kind and generous donors like your association, students like myself get the chance to both broaden their knowledge through the educational aspect as well as attend a university that possesses extracurricular capabilities and networks such as the Horse Judging Team, Cattleman's Association, and many others. Thank you so much for being a part of creating tomorrow's future agricultural industry professionals!

Sincerely,
Kendal McDaniel
