Attn: James Watts

Dear Mr. Watts:

The State of MS Horse Show Association would like to take this opportunity to say Thank You to the MS State Equine Association for your many years of support for our championship horse show! Beginning in 2009, your generous contributions and support for the past 10 years has been and continues to be, outstanding and very much appreciated. Because of your support we are able to award over TEN High Point Buckles each year during our championship show. The State of MS Horse Show Association recognizes what an amazing organization you have and that your support for the many groups is a true testament that the MS State Equine Association is dedicated to the equine industry in our great state of Mississippi. We wish you much success for the future and look forward to working with you as always.

Sincerely,

SOMHSA Chairman
